1. Introduction

2. Purpose of Our Policy

The main objective of the BJFC (“our”, “us” or “we”) Member Protection Policy (“policy”) is to maintain responsible behaviour and the making of informed decisions by members and other participants in this club. It outlines our commitment to a person’s right to be treated with respect and dignity, and to be safe and protected from discrimination, harassment and abuse. Our policy informs everyone involved in our club of his or her legal and ethical rights and responsibilities and the standards of behaviour that are expected of them. It also covers the care and protection of children participating in our club’s activities.

3. Who Our Policy Applies To

This policy applies to everyone involved in the activities of our club whether they are in a paid or unpaid/voluntary capacity and including:

- club committee members, administrators and other club officials;

- support personnel, including managers, physiotherapists, psychologists, masseurs, sport trainers and others;
- referees, umpires and other officials;
- athletes;
- members, including any life members;
- parents; and
- spectators

4. Extent of Our Policy

Our policy covers all matters directly and indirectly related to the BJFC and its activities. In particular, the policy governs unfair selection decisions and actions, breaches of our code of behaviour and behaviour that occurs at training sessions, in the club rooms, at social events organised or sanctioned by the club (or our sport), and on away and overnight trips. It also covers private behaviour where that behaviour brings our club or sport into disrepute or there is suspicion of harm towards a child or young person.

5. Club Responsibilities

We will:

- adopt, implement and comply with this policy;
- ensure that this policy is enforceable;
- publish, distribute and promote this policy and the consequences of any breaches of this policy;;
- promote and model appropriate standards of behaviour at all times;
- deal with any complaints made under this policy in an appropriate manner;
- deal with any breaches of this policy in an appropriate manner;
- recognise and enforce any penalty imposed under this policy;
- ensure that a copy of this policy is available or accessible to all people and organisations to whom this policy applies;
- review this policy every 12-18 months; and
- seek advice from and refer serious issues to the Department of Health and Human Services (DHHS).

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that our state or national bodies request to be referred to them.

6. Individual Responsibilities

Everyone associated with our club must:

- make themselves aware of the contents of this policy;
- comply with all relevant provisions of this policy, including the standards of behaviour outlined in this policy;
- consent to the screening requirements set out in this policy, and any state or territory Working with Children checks if the person holds or applies for a role that involves regular unsupervised contact with a child or young person under the age of 18, or where otherwise required by law;
- treat other people with respect;
- always place the safety and welfare of children above other considerations;
- be responsible and accountable for their behaviour; and
- follow the guidelines outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment, bullying or other inappropriate behaviour; and
- comply with any decisions and/or disciplinary measures imposed under this policy.

7. Protection of Children

7.1 Child Protection

BJFC is committed to the safety and wellbeing of children and young people who participate in our clubs activities or use our services. We support the rights of the child and will act at all times to ensure that a child safe environment is maintained.. We also support the rights and wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure and safe environment for all participants.

BJFC acknowledges the valuable contribution made by our staff, members and volunteers and we encourage their active participating in providing a safe, fair and inclusive environment for all participants.

7.1.1: Identifying and Analysing Risks of Harm

BJFC will develop and implement a risk management strategy, which includes a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the action of an employee, volunteer or another person.

7.1.2: Developing Codes of Conduct for Adults and Children

We will develop and promote a code of conduct that specifies standards of conduct and care we expect of adults when they deal and interact with children, particularly those in their care. We will also implement a code of conduct to promote appropriate behaviour between children.

The codes will clearly describe professional boundaries, ethical behaviour and unacceptable behaviour. (See Attachment 2)

7.1.3: Choosing Suitable Employees and Volunteers

BJFC will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children .This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

BJFC will ensure that Working with Children Checks and criminal history assessments are conducted for employees and volunteers working with children, where an assessment is required by law. If a criminal history report is obtained as part of the screening process, BJFC will ensure that the criminal history information is dealt with confidentially and in accordance with relevant legal requirements. (See Attachment 1.3)

7.1.4: Support, Train, Supervise and Enhance Performance

BJFC will ensure that all our employees and volunteers who work with children have ongoing supervision; support and training. Our goal is to develop their skills and capacity and to enhance their performance so we can maintain a child-safe environment in our club.

7.1.5: Empower and Promote the Participation of Children In Decision-Making And Service Development

BJFC will promote the involvement and participation of children and young people in developing and maintaining a child-safe environment in our club.

7.1.6: Report and Respond Appropriately to Suspected Abuse and Neglect

BJFC will ensure that employees and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable ground that a child has been, or is being, abused or neglected (See Attachment 3).

In addition to any legal obligations, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child or is in breach of this policy they may make an internal complaint.

Please refer to our complaints procedure in section 10 of this policy.

Any person who believes a child is in immediate danger or in a life threatening situation, should contact the police immediately.

7.2 Supervision

Children under the age of [18] must be supervised at all times by a responsible adult. We endeavour to provide an appropriate level of supervision at all times. If a member finds a child under the age of [18] is unsupervised, they should assume responsibility for the child's safety until the child's parent/guardian or supervisor is located.

For reasons of courtesy and safety, parents must collect their children on time. If it appears a member will be left alone with just one child at the end of any club activity, they will ask another member to stay until the child is collected.

7.3 Transportation

Parents and or guardians are responsible for organising the transportation of their children to and from club activities (e.g. training and games). Where we make arrangements for the transportation of children (e.g. for away matches or overnight trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and the appropriate safety measures are in place (e.g. fitted working seatbelts).

7.4 Taking Images of Children

Images of children can be used inappropriately or illegally. We require that members, wherever possible, obtain permission from a child's parent or guardian before taking an image of a child that is not their own. We will also make sure that the parent or guardian understands how the image will be used.

To respect people's privacy, we do not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets which we control or are used in connection with our club.

When using a photo of a child, we will not name or identify the child or publish personal information, such as residential address, email address or telephone number, without the consent of the child's parent or guardian. We will not provide information about a child's hobbies, interests, school or the like, as this can be used by paedophiles or other persons to "groom" a child.

We will only use images of children that are relevant to our club's activities and we will ensure that they are suitably clothed in a manner that promotes our club. We will seek permission from a child's parent or guardian before using their images.

8. Discrimination, Harassment and Bullying

Our club is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination, harassment and bullying.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against, harassed or bullied.

8.1 Discrimination

Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by State or Federal anti-discrimination laws.

Discrimination includes both direct and indirect discrimination:

- **Direct discrimination** occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- **Indirect discrimination** occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purpose of determining discrimination, the offender's awareness and motive are irrelevant.

8.2 Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment involves unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

Every person is covered by the anti-discrimination laws that apply in their State as well as the Federal anti-discrimination laws.

The following is a list of all the personal characteristics that apply throughout Australia:

- gender;
- race, colour, descent, national or ethnic origin, nationality, ethno-religious origin, immigration;
- national extraction or social origin;
- marital status, relationship status, identity of spouse or domestic partner;
- pregnancy, potential pregnancy, breastfeeding;
- family or carer responsibilities, status as a parent or carer;
- age;
- religion, religious beliefs or activities;
- political beliefs or activities;
- lawful sexual activity;
- sexual orientation and gender identity;
- profession, trade, occupation or calling;
- irrelevant criminal record, spent convictions;
- irrelevant medical record;

- member of association or organisation of employees or employers, industrial activity, trade union activity;
- physical features;
- disability, mental or physical impairment;
- defence service; and
- personal association with someone who has, or is assumed to have, any of these personal characteristics.

Legislation also prohibits:

- racial, religious, homosexual, transgender and HIV/AIDS vilification; and
- victimisation resulting from a complaint.

8.3 Bullying

BJFC is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable at our club.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or group.

Whilst generally characterised by repeated behaviours, one off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. We will not tolerate abusive, discriminatory, intimidating or offensive statements being made online.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to Item 10 of this policy.)

9.0 Inclusive practices

Our club is welcoming and we will seek to include members from all areas of our community.

The following are examples of some of our inclusive practices.

9.1 People with a disability

BJFC will not discriminate against any person because they have a disability. Where it is necessary, we will make reasonable adjustments (e.g. modifications to equipment and rules) to enable participation.

9.2 People from diverse cultures

We will support, respect and encourage people from diverse cultures and religions to participate in our club and where possible we will accommodate requests for flexibility (e.g. modifications to uniforms).

9.3 Sexual & Gender Identity

All people, regardless of their sexuality or gender identity, are welcome at our club. We strive to provide a safe environment for participation and will not tolerate any form of discrimination or harassment because of a person's sexuality or gender identity.

9.4 Girls playing in boys teams

If there is not a separate sex competition BJFC will support girls playing in boys teams up until the age of 12 years.

We note that Federal anti-discrimination laws provide that it is not unlawful to discriminate on grounds of sex by excluding persons from participation in any competitive sporting activity in which the strength, stamina or physique of competitors is relevant.

If a child is over the age of 12 years our club will consider each request on an individual basis by considering the nature of our sport and other available opportunities to compete.

10. Responding to Complaints

10.1 Complaints

Our club takes all complaints about on and off-field behaviour seriously. Our club will handle complaints based on the principles of procedural fairness, and ensure:

- all complaints will be taken seriously;
- the person making the complaint (complainant) will be given full details of what is being alleged against them and have the opportunity to respond to those allegations;
- irrelevant matters will not be taken into account;
- decisions will be unbiased; and
- any penalties imposed will be reasonable.

More serious complaints may be escalated to our national body.

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our club may need to report the behaviour to the police and/or relevant government authority.

10.2 Complaint Handling Process

When a complaint is received by our club, the person receiving the complaint (e.g. President, Member Protection Information Officer) will:

- listen carefully and ask questions to understand the nature and extent of the concern;
- ask the complainant how they would like their concern to be resolved and if they need any support;
- explain the different options available to help resolve the complainant's concern;
- inform the relevant government authorities and/or police, if required by law to do so; and
- where possible and appropriate, maintain confidentiality but not necessarily anonymity.

Once the complainant decides on their preferred option for resolution, the club will assist, where appropriate and necessary, with the resolution process. This may involve:

- supporting the person complaining to talk to the person being complained about;
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- gathering more information (e.g. from other people that may have seen the behaviour);
- seeking advice from our district, regional, state and/or national body or from an external agency (e.g. State Department of Sport or anti-discrimination agency);
- referring the complaint to our state association; and/or
- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to our state association and an investigation is conducted, the club will:

- co-operate fully with the investigation;
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on our state/national association's recommendations.

At any stage of the process, a person can seek advice from an anti-discrimination commission or other external agency and, if the matter is within their jurisdiction, may lodge a complaint with the anti-discrimination commission or other external agency.

10.3 Disciplinary Sanctions

Our club may take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- be applied consistent with any contractual and employment rules and requirements;
- be fair and reasonable;
- be based on the evidence and information presented and the seriousness of the breach; and
- be determined by our constituent documents, by Laws and the rules of the game.

Possible sanctions that may be taken include:

- a direction that the individual make verbal and/or written apology;
- counselling of the individual to address behaviour;
- withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by our club;
- suspension or termination of membership, participation or engagement in a role or activity;
- de-registration of accreditation for a period of time or permanently;
- a fine; or
- any other form of discipline that our club considers reasonable and appropriate.

10.4 Appeals

The complainant or respondent may be entitled to lodge an appeal against a decision made in relation to a complaint (including a decision where disciplinary sanctions are imposed by our club) to our state association. Appeals must be based on any right of appeal provided for in the relevant constituent documents, rules, regulations or by laws.

[Note: It is considered good practice to have a process to appeal against a decision made in respect of a complaint. However, the grounds of an appeal should be specific, for example they may be limited to a denial of procedural fairness, on grounds of unjust or unreasonable disciplinary measure(s) being imposed, or on the grounds that the decision was not supported by the information/evidence presented and available to the decision maker/club. The jurisdiction of the appeal body will need to be outlined in relevant constituent documents, rules, regulations or by-laws which are binding on the complainant and respondent.]

Attachment 2: CODES OF BEHAVIOUR

Victorian Code of Conduct for Community Sport

The Victorian Code of Conduct for Community Sport outlines behaviours that are expected of every person involved in community sport and active recreation, as well as identifying the types of behaviours that will not be tolerated.

Every person: spectator, player, club member, official, participant, administrator, coach, parent or member of the community involved with the sport, should work to ensure:

- * inclusion of every person regardless of their age, gender or sexual orientation
- * inclusion of every person regardless of their race culture or religion
- * opportunities for people of all abilities to participate in the sport and develop to their full potential
- * respect is shown towards others, the club and the broader community
- * a safe and inclusive environment for all
- * elimination of violent and abusive behaviour
- * protection from sexual harassment or intimidation

The Code applies to community sport, training and club sanctioned activities.

FFV Codes of Behaviour

The Victorian Code of Conduct for Community Sport is a generic Code for community sport across the state. FFV however have incorporated specific Codes of Behaviour that must be strictly abided by.

It is vital that everyone involved in Football, whether they are athletes, coaches, parents, officials or supporters, understand their responsibilities to ensure that all participants enjoy the sport.

It is strongly recommended that all players, parents, officials, coaches and members be given a copy of these codes by their Club, and that each Club ensures the codes are clearly displayed in their Clubrooms.

As well as reading and seeking to understand the instructions contained in the codes, FFV asks all participants to recognise that there are underlying principles which extend beyond those specific instructions.

Failure to comply with any of the Codes of Behaviour below, will be met with sanctions, as outlined in the FFV GDT By-Law.

General Principles for all persons involved in sport

PLAYERS' CODE OF BEHAVIOUR (ALL LEVELS)

- (a) Play by the Rules and within the spirit of the game;
- (b) Do not argue with the match official. If you disagree, have your captain or coach approach the match official during a break in play or after the match is concluded;
- (c) Control your temper. Verbal abuse of officials or other players, deliberately distracting or provoking another person is not acceptable or permitted in any sport;
- (d) Maintain your focus and work hard for yourself and your team;
- (e) Be a good sport and be prepared to acknowledge good play whether it is from your team or the opposition;
- (f) Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player;
- (g) Cooperate with your coach, team mates and opponents. Without them, there would be no competition;
- (h) Play for your own enjoyment, and not just to please parents and coaches;
- (i) Remove all jewellery prior to training and match play, as it is a hazard to you and those around you;

- (j) Do not accept or use any banned or unauthorised drug(s), including the consumption of alcohol at any time.

Any breaches of the Code of Behaviour at any club sanctioned or organised event will be referred to the BJFC Committee for an appropriate course of action. The Committee's decision will be professional and in the best interests of the club, its members and the code. All reported breaches should preferably be made in writing. Breaches brought before the Committee will be held in strict confidence.

Breaches may result in a caution or formal letter of warning being issued. Any further infringements of the same nature will result in match bans and ultimately exclusion from the Club at the discretion of the committee.

Severe breaches such as violent or threatening behaviour to players/coaches/parents etc will ultimately result in expulsion from the Club and possibly from the FFV/FFA.

COACHES' CODE OF BEHAVIOUR

- (a) Remember that players participate for the fun of it and that winning is not everything;
- (b) Never ridicule or yell at a player for making a mistake or being in a losing team;
- (c) Be reasonable in your demands on younger players time, energy and enthusiasm,
- (d) Teach your players to abide by the Rules and Laws of the Game;
- (e) Whenever possible, alternate the group of players to ensure everyone has a reasonable chance of success;
- (f) Avoid overplaying the talented players as all players deserve equal time on the playing field;
- (g) Ensure that equipment and facilities meet a reasonable safety standard and are appropriate to the age and ability of the players;
- (h) Modify your approach to suit the skill levels and needs of players;
- (i) Develop and enhance respect between players, opposition coaches and the decisions of the match official;
- (j) Follow the advice of a physician when determining the extent of a player's injury and beyond that, when players are returning from injury to training and match play;
- (k) Keep up to date with the latest coaching practices (refer to Coach Accreditation Criteria);
- (l) Take time out to teach players (& others) the Laws of the Game, hence raising their awareness;
- (m) Remind all players to play within the spirit of the game at all times;
- (n) Ensure players are good sports and ensure each team member shakes the hand of their opponents at the conclusion of every match;
- (o) Do not smoke or consume alcohol from the team bench (Technical Area) or sideline;
- (p) Remember the actions of yourself and your team is reflective of the perception others take away with them.

ADMINISTRATORS' CODE OF BEHAVIOUR

- (a) Involve young people in the planning, leadership, evaluation and decision making process in the club network;
- (b) Give all children equal opportunities to participate;
- (c) Ensure the rules, equipment, length of games and training principles suit the age, ability and maturity level of participants;
- (d) Provide quality supervision and instruction for junior players;
- (e) Remember that children will only continue with football, provided they enjoy their experience, so do not over-emphasise awards;
- (f) Help coaches and match officials highlight appropriate behaviour and skill development, and assist in raising the standards of coaching and officiating;

- (g) Ensure everyone involved in football emphasises fair play, and not a winning at all costs approach;
- (h) Be tolerant and calm under pressure and approach problem solving in a supportive manner as members and players will expect you to set an example for others;
- (i) Support the implementation of the National Junior Sport Policy;
- (j) Make every effort to educate persons who breach these guidelines from time to time.

MATCH OFFICIALS' CODE OF BEHAVIOUR

- (a) Modify your approach to suit the skill levels and needs of players;
- (b) Praise and encourage all participants;
- (c) Be consistent, objective and courteous when making decisions;
- (d) Do not tolerate unsporting behaviour and promote respect for all opponents;
- (e) Emphasise the spirit of the game rather than focus on negative aspects;
- (f) Encourage and promote rule changes to all players and members;
- (g) Be a good sport yourself, as actions speak louder than words;
- (h) Keep up to date with the latest trends in refereeing;
- (i) Remember that you set the example on the park, therefore, your behaviour and comments should always be positive and supportive;

PARENTS' CODE OF BEHAVIOUR

- (a) Remember that children play the sport for their enjoyment, and not yours;
- (b) Encourage all children to participate, do not force them;
- (c) Focus on the child's efforts and performance rather than the result of the activity (that is, winning or losing);
- (d) Encourage children to always participate according to the rules;
- (e) Never ridicule, yell at a child for making a mistake or losing a game;
- (f) Remember that children learn best by example, so applaud good play by both teams;
- (g) Support all efforts to remove racial and religious vilification, verbal and physical abuse from sporting activities;
- (h) Respect the match official's decisions and teach your child to do likewise;
- (i) Show respect and appreciation to Club officials, including coaches, officials and administrators. Ensure any issues are raised through the correct channels;
- (j) Do not smoke or consume alcohol near the team bench (Technical Area) or sideline.

Any breaches of the Code of Behaviour at any club sanctioned or organised event will be referred to the BJFC Committee for an appropriate course of action. The Committee's decision will be professional and in the best interests of the club, its members and the code. All reported breaches should preferably be made in writing. Breaches brought before the Committee will be held in strict confidence. Breaches may result in a caution or formal letter of warning being issued. Any further infringements of the same nature will result in match bans and ultimately exclusion from the Club.

Severe breaches such as violent or threatening behaviour and/or bullying/harassment to players/coaches/parents/members or sponsors will ultimately result in immediate expulsion from the BJFC Club and possibly from the FFV/FFA. Inappropriate parental behaviour including violent and abusive behaviour, will adversely affect the children as the entire family may be asked to leave the Club. Adhering to this Code will ensure enjoyment for players and parents alike, as well as upholding the integrity of the game and the BJFC.

If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.

Fact sheets on reporting allegations of child abuse in different states and territories are available at www.playbytherules.net.au

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with FFV in a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

Step 2: Report the allegation

- Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this policy applies, then also report the allegation to the CEO or other official of Football Federation Victoria so that he or she can manage the situation.

Step 3: Protect the child and manage the situation

- The President or other official will assess the immediate risks to the child and take interim steps to ensure the child's safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of Football Federation Victoria.
- The President or other official will consider what services may be most appropriate to support the child and his or her parent/s.
- The President or other official will consider what support services may be appropriate for the alleged offender.
- The President or other official will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

Step 4: Take internal action

- At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
 - a criminal investigation (conducted by the police)
 - a child protection investigation (conducted by the relevant child protection agency)
 - a disciplinary or misconduct inquiry/investigation (conducted by Football Federation Victoria).
- BJFC will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.
- If disciplinary action is undertaken, we will follow the procedures set out in [Clause 9] of our Member Protection Policy.
- Where required we will provide the relevant government agency with a report of any disciplinary action we take.
- **Contact details for advice or to report an allegation of child abuse**
